

About Andhra Christian College

▶ The Andhra Christian college is a premiere and pioneering Christian educational institution in the country. It was founded by American Christian missionaries with the noble vision of upliftment of the socially discriminated and economically backward people of this region and at large, to better their standard of living and to free them from social bondage by providing them quality education based on Christian principle.

▶ The Andhra Christian college is unique in the sense that it is the first educational institution to provide referral educational privileges and opportunities for women resulting in their emancipation. The institution is 130 years old. since it's inception in 1885 as a institution of higher education it has imparted the highest level of education by stalwarts in the field of education. The college has produced ambassadors, union ministers, chief ministers, countless civil service officers, physicians, teachers and so on. The college is a NAAC graded institution with a B++ to its credit and gearing up for re accreditation. As part of its expansion plans the college is planning to establish a dental college, Pharmacy and a masters in business administration. Located in the heart of the city the college is a historic monument in the newly formed state of Andhra Pradesh spread over 37 acres, it has 3 hostels in its vicinity.
